FAQ

1. Are you a manufacturer?

Yes, our factory is located in Dongguan City, Guangdong Province. We have been engaged in the production of packaging materials for 33 years.

2. Do you have this bag in stock?

Sorry, we do not stock this bag for the time being, but mainly customize it, which means that the thickness and size of the bag are customized according to your requirements, and your logo can be printed on the product.

3. If I want to customize my own logo, what should I do?

Please first contact our product manager. Then put forward your customization requirements, such as bag color, size, quantity and documents containing printed content, and the product manager will quote according to your needs. The final negotiation and cooperation will enter the bag production process.

4. If there are quality problems with the received products, how do you solve them?

When unloading, you need to check all the goods, if we find damaged or defective products, you need to take pictures from the original cartons. All claims must be made within 7 working days after the container is discharged. This date is based on the arrival time of the container. We will advise you to prove the claim to a third party, or we can accept the claim from the samples or pictures you provide, and at the end we will fully compensate you for all losses.

If you have any questions or needs regarding our products, please feel free to contact us. We will do our best to provide you with the highest quality products and services.
