#### Product Description:

The Aluminized Film Bubble Bags are made with a high-quality aluminum foil material that provides good heat insulation, ensuring that your items stay protected from extreme temperatures. These bags come in a variety of colors including silver, gold, black, blue, and rose red, allowing you to choose the perfect color for your brand or personal preference. Additionally, we accept custom orders, so you can design your own unique packaging to fit your specific needs.

Our Aluminum Foil Packaging Bags are perfect for a variety of items such as electronic devices, jewelry, cosmetics, and even food items that require protection from heat and shock. These Aluminum Packaging Bags are durable and long-lasting, ensuring that your items arrive at their destination in excellent condition.

Don't settle for mediocre packaging, upgrade to our Aluminized Film Bubble Bags and experience the difference in quality and protection. Order now and enjoy peace of mind knowing that your items are in good hands.

#### Applications:

The Aluminized Film Bubble Bags are highly suitable for packaging and transporting electronic and electrical products such as computer parts, mobile phone accessories, and other small electronic items. The bags' air bubble packaging provides cushioning and protection to the products, ensuring that they reach their destination safely without any damage.

The Aluminium Foil Packaging Bags are also ideal for packaging medical products such as bandages, syringes, and other medical supplies. The bags' heat insulation capabilities help maintain the temperature and sterility of the products, ensuring their quality and efficacy. Moreover, the bags' self-sealing closure type ensures that the products are securely packed and cannot be tampered with.

The Aluminium Foil Bag is also commonly used in the cosmetic industry for packaging and transporting various cosmetic products such as creams, lotions, and other beauty products. The bags' aluminized film material helps protect the products from external factors such as light, heat, and moisture, ensuring their quality and effectiveness. The bags' customizable thickness and quantity make them suitable for both small and large-scale cosmetic product packaging needs.

**FAQ:**

Q1: Are you manufacturer or trade company?

A1: We are manufacturer and our factory located in Guangdong China. About 3000 Square meter and 100 workers.

Q2: If I want to make an order, what information should I tell you?

A2: Your bags type, size, thickness, quantity and logo.

Q3: Before make order, can you send samples first?

A3: Stock samples will be sent for free. You only have to pay the shipping cost. If you want customize samples, you need to pay sample fees.

Q4: What's the MOQ of order and delivery details?

A4: Moq requirements can be negotiated according to your specific needs. Delivery time is about 12-18 days by express, air and sea.

If you have any questions about the product, please contact us. We will answer your questions as soon as you see the information.
