Product Description:

The thickness of these bags ranges from 160GMS to 220GMS, but can also be customized according to your specific needs. The customizable size options make it easy to find the perfect fit for your products, ensuring they are well-protected and secure.

Our Aluminized Film Bubble Bags are made with a special type of aluminum foil film material that provides a high level of protection against moisture. This makes them perfect for storing and shipping a wide range of products.

These Aluminum Foil Bags are designed to be highly durable and long-lasting, ensuring that your products are protected throughout the entire shipping process.

In summary, our Aluminized Film Bubble Bags are an excellent choice for anyone looking for high-quality packaging that provides superior protection and durability. With customizable size and thickness options, these bags are perfect for a wide range of applications and can be tailored to meet your specific needs.

Applications:

The Aluminized Film Bubble Bags are perfect for packaging delicate items such as electronics, jewelry, medical equipment, and other items that require protection from moisture, dust, and shock. These bags are made of high-quality materials that guarantee durability. The bubble lining ensures that the items inside are cushioned against shock and vibration, preserving their integrity during handling and transit.

The Aluminized Film Bubble Bags come in various colors, including silver, gold, black, blue, and rose red. Customizable sizes are available to meet specific packaging requirements, and the packaging details can be customized to fit the customer's needs, including packing by carton or customized boxes.

The Aluminized Film Bubble Bags are suitable for various occasions and scenarios. These bags are perfect for e-commerce businesses, retail stores, or individuals who want to send gifts or fragile items. The bags can also be used for packaging food items that require protection from moisture and light.

The minimum order quantity for the Aluminized Film Bubble Bags is negotiable, and the price is also negotiable depending on the quantity ordered. HUAN QIU can supply up to 100,000 pieces per day, ensuring that the customer's needs are met promptly.

Shipping:

Orders for the Aluminized Film Bubble Bags are shipped within 2-3 business days after payment has been received. The bags are shipped via standard ground shipping and delivery times vary depending on the destination. Customers can track their order using the tracking number provided via email.

If you still have any questions need to be answered, please contact us, we will reply to you as soon as we see the information.
