Product Description:

With a thickness of 12 silk, our Express Delivery Bags are durable and strong enough to withstand the rigors of transportation. The bags are made with a self-sealing closure type, which ensures that your items are secure and protected during transit. The express delivery bags are available for purchase in bulk, with a minimum order quantity that can be negotiated. The price of the bags is also negotiable, making it easy for businesses to get the best deal possible.

With available in a wide range of sizes, our delivery bags are ideal for small and medium-sized businesses that need to ship products quickly and efficiently. These packages are also customizable, allowing you to add your own brand, logo or message to make them unique to your business, customizable prices please contact the product manager for details.

Applications:

The express delivery bags can be used in various occasions and scenarios. The primary use of these bags is for express delivery. They are designed to be lightweight and easy to handle, making them an ideal choice for businesses that need to send products to their customers quickly. The bags are also suitable for use in logistic transport, as they can keep the products safe and secure during transit.

In addition to being used for delivery purposes, the bags can also be used for packaging shoes and clothing. The bags are available in various sizes, making them an excellent choice for packaging items of different dimensions. The self-sealing closure type ensures that the products inside the bags stay safe and secure.

These bags can also be used as gift bags with self-adhesive. The bags have a clean and professional look, making them perfect for businesses that want to give their customers a memorable experience. The bags can be customized with logos or messages, making them an excellent marketing tool for businesses.
