Product Description:

Our waterproof courier bags are designed to keep your products safe and secure in transit. The Prevent Burst Color express bag is perfect for shipping delicate items such as shoes and clothing. The bags are available in a range of colors, making them ideal for businesses that want to add a pop of color to their packaging.

Our courier shipping bags are suitable for a variety of uses, including express delivery, shoes and clothing, and logistic transport. These bags are perfect for businesses that want to ensure their products arrive at their destination in perfect condition. The high-quality materials used to make these bags ensure that they are strong, durable, and long-lasting.

Not only do these bags offer excellent protection for your products, but they are also easy to use. The bags are lightweight, making them easy to handle and transport. The self-sealing adhesive strip makes it easy to seal the bags securely, ensuring that your products are protected from moisture, dust, and other elements during transit.

Reasons to choose us over other suppliers:

1. More than 30 years of experience. We are the source supplier, with a complete and mature production chain, no middleman price difference, so that you have the same quality products at the most favorable price.
2. Strong production and supply capacity. The factory covers an area of 3000 square meters, the existing production, printing equipment 8 sets, mechanical operators more than 20 people.Adequate equipment and personnel can ensure the daily operation of the production line.
3. Perfect after-sales service. In the production process until you receive the goods, if you have any other needs or not satisfied with the place, you can find our staff for consultation, we will try our best to give you a satisfactory answer and solution.
