### Product Description:

Our delivery mail courier bags are made in Guangdong, China and are available for order in customizable quantities. They are made from tear-resistant PE material, ensuring that your items arrive at their destination in the same condition they were in when they left your hands. You can rest assured that your products will be safe and secure during transit, no matter how far they need to travel.

With a supply ability of up to 300000 pieces per day, these mailing bags are a reliable choice for businesses that need to ship a high volume of items quickly and efficiently. Another great feature of our Express Delivery Bags is that they are fully customizable. You can add your own branding, logo, or any other design elements to make your packages stand out from the rest. This is a great way to promote your business and increase brand recognition.

Our Packaging Bags are versatile and can be used for a wide variety of purposes. They are perfect for express delivery, making them ideal for businesses that need to get their products to customers quickly. Additionally, they are great for transporting shoes and clothing items, as well as other small to medium-sized items.

The Express Delivery Bags are also available at a negotiable price, making them an affordable option for businesses on a budget. They can be packed in cartons or customized boxes, depending on your specific needs.

### Customization:

Our HUAN QIU KDD-08 Express Delivery Bags can be customized to meet your needs. We offer printed packaging bags and envelope bags, as well as other packaging bags. With negotiable minimum order quantity and price, you can get the perfect packaging solution for your business. Our bags are made from durable and waterproof PE material with a thickness of 12 silk. Place your order today and enjoy supply ability of up to 300000 pieces per day. Contact us to learn more about our customizable packaging options!

**FAQ:**

**1. How long can you ship the goods? Do you have stock for this item?**

For products that are in stock, we can deliver to you in 1-3 days. Regular lead time for mass production is 5-14 days depending on order quantity. We keep some stock for standard item but the stock qty is always floating. Please feel free to contact us to get more update info.

**2. How about the after-sales service?**

We do 100% inspection during production and before packing. If there is any quality problem, we are willing to make corresponding compensation for you.

**3. What's your product range?**

Transportation and packaging supplies - they are foam buffer materials, kraft paper foam mail, polyethylene foam mail, metal foil foam mail, aircraft boxes. There are also non-cushioning materials such as polyethylene mailbags, tote bags, cardboard envelopes, paper envelopes, zipper bags, etc.

**4. How can I get a sample to check your quality?**

We have samples of various styles, which can be sent out free of charge at any time, you only need to pay the freight.

**5. How do I know if my order has been dispatched?**

As soon as your order been shipped, we will receive a copy seaway bill (B/L) from shipping company, you can check out the shipping info by yourself on website once it is sailed.
