F&Q

1.How can I get the sample?

Please pay the sample fee and express fee before we receive the first order. We will refund the sample fee to you when you first order.

2.Sampling time?

Existing projects: within 10 days.

3. How can we guarantee quality?

Always a pre-production sample before mass production; Always final inspection before shipment.

4. Why should you buy from us not from other suppliers?

- (1) Customization We can develop and produce products according to the drawings or samples the customers offered.
- (2) Cost-effective We have processing plant, factory direct sales, high quality and low price.
- (3) High quality We have our own QC department and testing equipment to ensure product quality.
- (4) High productivity Our annual output is large enough to meet the needs of customers.
