Product Description:

Our Hand Delivery Bags are made from PE material, which is both strong and biodegradable. This means that you can transport your items safely and securely, while also helping to protect the environment. These bags are also incredibly lightweight, with a weight capacity of up to 20 kg, making them easy to carry and transport.

The envelope bag with handle is perfect for those who need to transport items quickly and efficiently. With a handle built into the bag, you can easily carry it around with you, without having to worry about your items falling out. The Handle Bags are perfect for carrying a variety of items, from small electronic devices to larger items like books and clothing.

These Hand Delivery Bags are the perfect solution for anyone who needs to transport items safely and securely. With a strong adhesive and tear-proof material, you can rest assured that your items will arrive at their destination in one piece. The waterproof material also ensures that your items stay dry, even during the most inclement weather conditions.

In summary, our Hand Delivery Bags are the ideal solution for anyone looking for a reliable and efficient way to transport items. With their strong adhesive, tear-proof material, and waterproof design, these bags are sure to keep your items safe and secure during transit. Made from biodegradable PE material, these bags are also environmentally friendly, making them the perfect choice for anyone who wants to protect the planet. So why wait? Order your Hand Delivery Bags today and start transporting your items with confidence!

FAQ:

Q1: What's your MOQ?

A: For our stock size ,the MOQ is 100pcs ,we have many specification for your choose. If you do not have the right size, we also offer custom service.

Q2: Could you send me your entire catalogue and price list?

A: As we have more than thousands of items, even 1 item have different sizes and packages, it is really too hard for us

to send you our entire catalogue and price list for you. Please inform me the items, size and package you interested in, so we can offer you the price list you want for your reference.

Q3: Could you send me some samples?

A: We can offer free samples for your evaluation, but the sample delivery charge should you pay.
