Product Description:

These bags are ideal for packaging shoes, clothing, and other items that need to be protected during transit. They are perfect for custom apparel packaging, clothing packaging bags, and other retail packaging needs. These bags are also recyclable and reusable, making them an eco-friendly option for your packaging needs.

The zipper bags are designed to be durable and long-lasting, ensuring that your products stay safe and secure during transit. They are made from materials that are designed to withstand the rigors of shipping and handling, providing you with peace of mind knowing that your products are protected.

The convenience of the zipper top makes these bags easy to use and saves time and effort during packaging. The bags are easy to open and close, making them perfect for use in a variety of settings. Whether you are packaging products for retail sale or for shipping, these bags are an excellent choice.

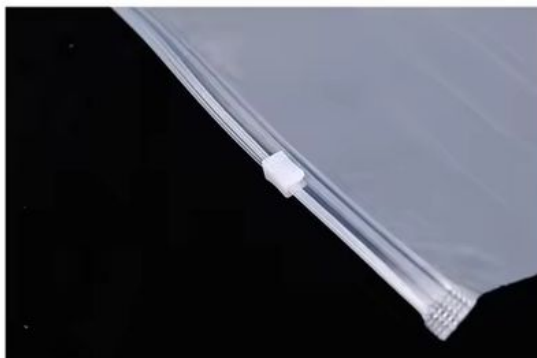

These frosted zipper bags come in various sizes and quantities. The packaging details are customizable, and you can choose between a carton or a custom-made box for your packaging needs. The minimum order quantity is negotiable, and the price can be negotiated as well.

If you're in the business of package handling, the Zipper Bags can be used to ship products securely to your customers. For bag and luggage transportation, these bags can be used to store small items, such as travel-sized toiletries or jewelry. For shoe and clothing storage, these bags can be used to store out-of-season clothing or to protect shoes from dust and damage.
