Product Description:

Our Zipper Bags are not only secure, but they are also waterproof, making them perfect for storing items that need to be protected from water damage. Whether you're storing clothes, electronics, or documents, our bags will keep your items safe and dry.

Our Zipper Bags come in customizable sizes, so you can choose the size that's perfect for your needs. Whether you need a small bag for jewelry or a large bag for bedding, we've got you covered. They are also customizable with your own logo, making them a great option for businesses looking for a branded packaging solution.

Our Zipper Bags are also incredibly durable, making them perfect for long-term storage. You won't have to worry about the bags tearing or breaking, even if you're storing heavy items.

These zipper bags are reusable, making them an environmentally friendly choice for your packaging needs. Whether you're a business looking for sustainable packaging options or an individual looking to reduce your carbon footprint, our bags are a great choice.

Overall, our Zipper Bags are perfect for Clothing Packaging Bags, electronics, documents, and more. With their secure sealing, waterproof feature, customizable sizes, and durability, you won't find a better option for your packaging needs. And with their biodegradable feature, you can feel good about your choice to use environmentally friendly packaging.

Customized Products Process:

1. Pre-sale Consulting: Please confirm our customer service staff of the style, size, quantity, production process requirement and customized patterns of customized products, please call us, we will give you an accurate quotation.
2. Layout Design: After confirming the quotation, if typesetting is required, we will contact the designer to design the sample.
3. Check the pattern: After our designer designs the draft according to your requirements, we will give you the draft for reference, if there is any need to improve, you can put forward to your suggestions.
4. Confirm the final draft: After repeated communication and modification, the final draft is determined, once determined, it can not be changed.
5. Order to make: When confirming the final draft, we will make them, if you need samples, we can provide, when finishing the sample, we can send it to you.
6. Delivery: When finished, we will send the goods to you.
