#### Product Description:

Our zipper bags are perfect for storing clothes, protecting them from dust, moisture, and other elements that could damage your apparel. These clothes zipper bags are also reusable, making them eco-friendly and sustainable. You can use them over and over again without worrying about contributing to environmental waste.

If you're looking for a durable shopping bag that can hold your items without breaking apart, our folding shopping bags are perfect for you. These bags are made from the same high-quality materials as our clothes zipper bags, ensuring their durability and strength. They can hold up to 20kg or more, so you can fill them up with your groceries, clothes, or anything you need to carry.

Our zipper bags are also perfect for custom apparel packaging. If you're starting a clothing business or looking for a way to package your apparel items, our bags are an excellent choice. You can customize them with your brand logo or design, making them an effective promotional tool for your business.

#### Applications:

These transparent zipper bags are incredibly strong, with a puncture resistance that ensures that your contents will be safe and secure. This makes them ideal for a variety of different scenarios, including travel bags, where you need to be sure that your items are protected from damage.

The HUAN QIU LLD-12 Zipper Bags are also great for use with shoes and clothing, T-shirts, swimsuits, and other items that need to be packaged securely. The zipper top ensures that the contents of the bag are easy to access, while also providing a secure seal that keeps everything inside.

These zipper bags are customizable in size, allowing you to choose the perfect dimensions for your specific needs. And with a supply ability of up to 200000 pieces per day, you can be sure that you will always have enough bags on hand when you need them.

Whether you are looking for a reliable packaging solution for your business or just need some zipper bags for personal use, the HUAN QIU Zipper Bags are an excellent choice. Order now and receive your zipper bags in custom packaging, either packing by carton or a customized box for the bubble mailer. Don't wait any longer to get the perfect packaging solution for your needs.

#### Customization Products Process:

1. Pre-sale Consulting: Please confirm our customer service staff of the style, size, quantity, production process requirement and customized patterns of customized products, please call us, we will give you an accurate quotation.
2. Layout Design: After confirming the quotation, if typesetting is required, we will contact the designer to design the sample.
3. Check the pattern: After our designer designs the draft according to your requirements, we will give you the draft for reference, if there is any need to improve, you can put forward to your suggestions.
4. Confirm the final draft: After repeated communication and modification, the final draft is determined, once determined, it can not be changed.
5. Order to make: When confirming the final draft, we will make them, if you need samples, we can provide, when finishing the sample, we can send it to you.
6. Delivery: When finished, we will send the goods to you.
