Product Description:

Our Poly Bubble Bags come in multiple sizes, making them the ideal choice for various items. Our Poly Bubble Bags are tear-resistant, which means they can withstand the wear and tear of shipping or storage. This feature is especially crucial for delicate items that require extra protection from damage during transit. Our bags' durability ensures that your items remain safe and secure throughout the shipping process.

Our Poly Bubble Bags are made with a thickness of 140gsm, which makes them thick enough to handle heavy items while still remaining lightweight for easy handling. The bags' thickness also provides an extra layer of protection against punctures and tears, ensuring that your items remain safe and secure inside the bag.

These Plastic Bags are available in a range of colors, including Pink, Black, Blue, Green, Nude Pink, Purple, and Yellow. This range of colors allows for easy identification of different products, making it easier to organize and sort your shipments. Additionally, the tamper-proof design ensures that the contents of the bag remain secure during transit, providing peace of mind to both the sender and the receiver.

Customization:

Looking for a durable and puncture-resistant composite plastic bag for your mailing needs? Look no further than the HUAN QIU Poly Bubble Bags! Made with high-quality polyethylene material, these custom bubble mailing bags are tear-resistant and tamper-proof for added security during transport.

Whether you need to ship fragile items or just want to ensure your products arrive safely, our bubble mailer bags are the perfect solution. We offer both silk screen printing options to customize your bags with your brand name or logo.

Made in Guangdong, China, our Poly Bubble Bags are available with negotiable minimum order quantities and prices to fit your specific needs. With a supply ability of 100000 pieces per day, we can ensure timely delivery to meet your demands. Each bag is packed in a carton for added protection during shipping.

Support and Services:

Poly Bubble Bags are designed to provide excellent protection for fragile items during shipping or storage. Our technical support team is available to assist you with any questions you may have about the product's features and usage. In addition, we offer a range of services to ensure a seamless experience, including customization options, quick delivery, and hassle-free returns. Our goal is to help you protect your valuable items with confidence, and we are committed to providing the highest level of support and service to achieve this.

Shipping:

The lead time takes about 7-10 working days, and the transport time is estimated according to different regions.

1). By Express (3-5 working days), suitable for Urgent Time and Small Quantity.

2). By Sea (15-30 days), suitable for regular Mass Production.

3). By Air (5-7 days), from Airport to Airport.
