The Poly Bubble Bags are packed in a cardboard box for safe shipping. Each bag is folded neatly and placed in the box to avoid any damage during transportation. The box is labeled with the product name and quantity for easy identification.

Shipping:

Orders are processed within 24-48 hours and shipped via USPS or UPS. Delivery time may vary depending on the destination, expedited shipping options are also available at an additional cost.

FAQ:

Q: What type of packaging is best for my product?

A: If you are not sure what kind of packaging your product needs, then you can consult us. We have a professional technical team to advise you.

Q: What is the minimum quantity of bags?

A: The MOQ of the bag depends on the size of the bag, in general, the smaller the bag, the higher the MOQ.

Q: How are my bags shipped?

A: By express(DHL, UPS, FedEx), by sea or by air.

Q:When can I **get the price**?

A: If your information is enough, we will quote for you in 1 hour on working time.

Q:Will my work be **checked** before production?

A: Yes, we strictly control the material, production, printing, shipping, etc. of all products to ensure everything is correct.
