Product Description

Eco Friendly Kraft Paper Custom Logo Square Bottom Shipping Bag For bread for food bag

Product Description:

Kraft paper square bottom bag is a rectangular bottom bag type with upper opening and lower sealing after the bottom of the bag is aligned and folded, and then heat-sealed. The bottom is pasted with the strengthened cover paper made of delicate kraft paper.

The bag can be made into 1 to 4 layers of kraft paper bag. The bottom cover of kraft paper can be designed with exquisite graphics and printing, which can strengthen the brand recognition and have better decoration and advertising effect.

After the material is filled, the bottom of the kraft paper square bottom bag is smooth and stable, and the appearance is rectangular. It can stand smoothly when filling, placing or unpacking, and it is not easy to leak. It can improve the utilization rate of storage space, and facilitate the bulk container transportation of square bottom bag.

Kraft paper square bottom bags are commonly used for packaging a variety of items, including food products, pet food, coffee, snacks, and more.
