Product Description

Suitable For Magazines, Stationery, Thin Summer Clothing Packaging Semitransp Waxed Paper Hard Bags Can Be Customized

Product Description:

Graxin paper is characterized by dense, uniform texture, good internal strength and light transmittance. It is a common material for making packaging bags, especially suitable for clothing packaging. Graxin paper has the functions of high temperature resistance, moisture-proof and oil-proof, and is generally used in the packaging of clothing, food, electronics, home gifts and other industries. In packaging products, the commonly used gram weight of graxin paper is 40g, 60g, 80g, etc.
