FAQ

1. Are you a manufacturer?

Sure, we are a manufacturer of R & D, production and sales.

2. What is your MOQ?

Regarding the MOQ, our scope is very flexible, and we will recommend the appropriate ordering plan according to the different requirements of customers. Therefore, we will consult the order requirements in detail during the communication process to ensure that we can recommend the most suitable product customization plan to you.

3. How can I get a sample to check your quality?

After confirming the price, you can ask for samples to test our quality. If you only need a blank sample to confirm the quality and size of the bag, we will provide the sample free of charge, as long as you can afford the express shipping costs. If you need to print a sample, we will charge the corresponding printing fee, which is determined by the customization requirements.

4. How do I know if my order has been dispatched?

As soon as your order is dispatched from our Warehouse, you will be sent an email to confirm that it's on its way. After that we will inform you the tracking number for checking on the network. From there it should be delivered within the timescale you have requested.

If you have any questions or needs regarding our products, please feel free to contact us. We will do our best to provide you with the highest quality products and services.
