Product Description:

These honeycomb papers are not only practical, but also environmentally friendly. They are made from high quality kraft paper, are fully recyclable and can be reused many times. So you're not only protecting your product during transportation, but you're also doing your part for the planet.

Our honeycomb kraft paper packs contain 50 pieces, making it a convenient and cost-effective choice for businesses of all sizes. In addition, with the option to customize the size you need, you can create a unique and personalized packaging solution that will help your product stand out from the competition.

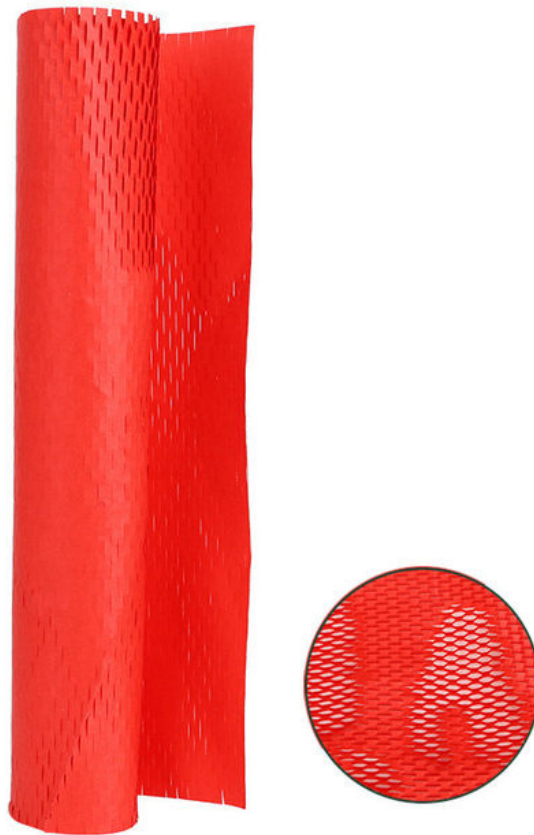

Not only are these bags environmentally friendly and recyclable, but they are also biodegradable, making them a sustainable choice for your business or personal needs. You can even customize these packages to meet your specific requirements, and the minimum order quantity and price are negotiable.

Whether you're shipping products to customers or wrapping gifts for loved ones, these honeycomb kraft paper are the perfect solution. Our daily supply capacity is 100,000 pieces, and we have detailed carton packaging, so you can stock at any time.

Support and Services:

Our Honeycomb Kraft Paper are designed to provide superior protection for fragile items during shipping and handling. The bags are made with high-quality kraft paper and feature a honeycomb design that provides extra cushioning and shock absorption. Our technical support team is available to provide guidance on the proper use and handling of the bags to ensure maximum protection for your items. In addition, we offer a range of services to support our customers, including customized bag sizes to help you promote your brand.
