Product Description

Can Be Printed Logo can custom Not Afraid Of Water Not Afraid Of Oil Square Bottom Kraft Paper Bag

Product Description:

Kraft paper square bottom bag refers to a kind of packaging bag made of kraft paper with a square bottom. This bag is also called square bottom bag or flat bag. It is designed to provide stability and a flat bottom when filled with product. Brown paper square bottom bags are commonly used to pack a variety of items, including food products, pet food, coffee, snacks, and more. They are usually designed to achieve a square bottom by folding and gluing during fabrication.

The design of square bottom bag has the following advantages:

Stability: The flat bottom allows the bag to stand upright on store shelves, providing stability for easy consumer handling.

Efficiency: The square bottom design optimizes space use when storing and transporting, and the bags can be stacked tightly without wasting space.

Aesthetics: The square bottom provides a clean and uniform appearance that helps enhance the overall visual appeal of the package.
