FAQ:

1. Can you make the bags in the exact size, material, and printing finishing that we prefer?

→Yes. We do custom packaging projects, complete customized order is available for us.

2. What is your minimum order quantity?

→Traditional printing(Gravure printing) starts from 10000pcs. But this is negotiable. We love to help small businesses to grow.

3. What format would I need to send you the artwork?

→Vector graph in AI, PDF, etc., file. Please note that the resolution rate must be higher than 300dpi, and the layer must be editable, which can not be merged.

4. Can I get samples to review the quality?

→Of course. We offer free samples. You only need to pay for the shipping freight.

5. What is the turnaround time for mass production?

→15-20 days(subject to the quantity)

6. How can you make sure the final printing meets my requirements?

→Before the production of bulk goods, you can choose the priority proofing to confirm the printing effect. We will confirm the printing content with you when editing the manuscript. If it is not enough, we can send you an electronic digital sample or confirm printing before mass production.

If you have any questions or needs regarding our products, please feel free to contact us. We will do our best to provide you with the highest quality products and services.
