Lead time

Quantity (pieces)	10000 -50000	> 50000
Delivery Time (days)	15-20	To be negotiated

Product Description:

Our bags are made from high-quality, durable corrugated paper, ensuring that your items arrive at their destination safely and securely. The thickness of the paper is customizable, so you can choose the perfect level of protection for your items. And with a self-sealing adhesive strip, these bags are easy to use and provide a secure closure every time. But that's not all - our Corrugated Paper Envelope Bags also offer customizable printing options, so you can add your own branding or personal touch to each bag. This makes them perfect for businesses looking to add a professional touch to their shipments, or for individuals who want to add a personal touch to their gift paper bags or clothing paper bags.

So whether you're shipping products for your business or sending gifts to your loved ones, our Corrugated Paper Envelope Bags are the perfect choice for all your mailing and shipping needs. Don't settle for subpar packaging - choose our high-quality, customizable bags for a professional and personal touch.

Applications:

The bags can be customized to any size, making them perfect for a variety of products. Whether you are shipping small items like jewelry or larger items like clothing, these bags can be tailored to meet your needs. One of the best features of these bags is their self-sealing adhesive strip. This makes them easy to seal and ensures that your products stay safe during transit. Plus, the customized design option allows you to add your own branding and logo, making them a great way to promote your business.

These custom printed paper bags are perfect for any occasion where you need to ship or mail products. They are great for e-commerce businesses, subscription box services, and more. They are also a great option for businesses looking for eco-friendly packaging solutions.

With FCS certification, you can be confident that these bags are made from sustainable materials. Plus, with a negotiable minimum order quantity and price, they are accessible to businesses of all sizes.
