Product Description:

Our Express Delivery Bags are customizable, which means that you can add your brand logo or any other design to make them stand out in the market. This feature makes them perfect for electronic packaging, gift bags, and wholesale purposes.
Our Express Delivery Bags are waterproof, which means that they can protect your goods from water damage during transport. This feature is especially important for industries that deal with electronic gadgets or other items that need to be protected from moisture.
The bags' thickness is 12 silk, but it is customizable upon request, ensuring that they can accommodate different product sizes and weights.
They are customizable, allowing businesses to add their logo or design to the bags, which will help promote their brand. The bags are also available in different colors, making them perfect for businesses that want to stand out or match their brand colors. The minimum order quantity is negotiable, making it easy for small businesses to order the number of bags they need.

Customization:

Our Express Delivery Bags by HUAN QIU come with customizable options to fit your unique needs. The model number for this product is KDD-23 and it is manufactured in Guangdong, China. The minimum order quantity and price are negotiable, and packaging details can be customized to include packing by carton or a customized box for the bubble mailer. With a supply ability of up to 300,000 pieces per day, we can provide you with the perfect size for your needs. Our Gift Bags are tear-resistant and waterproof, making them ideal for shipping delicate items. These Printed Packaging Bags are fully customizable, and we accept custom orders to ensure that you receive exactly what you need. Each bundle contains 100 bags, providing you with plenty of options for your shipping needs.

Packing :

The Express Delivery Bags come in a set of 100 bags and are neatly packed in a cardboard box to ensure safe transportation. Each bag is individually wrapped in a plastic cover to protect it from dust and moisture.
