Product Description

Rectangular Red Storage Airplane Box Floding Box For Jewelry Can Be Customized

Product Description:

Aircraft boxes, named for their unfolding shape that resembles an airplane, are suitable for some goods that are easy to transport and are the first choice for express packages to ship. Common aircraft boxes are made of three and five layers of corrugated paper, and we provide special hard three layers of corrugated aircraft boxes in stock. The 3-layer material structure ensures that your items will remain safe and secure during transit, giving you peace of mind knowing that your belongings are well-protected.

If you have any questions, please feel free to contact us. We will do our best to understand and solve your needs.
