Product Description

Zipper Airplane Box The Ultimate Solution For Safe And Convenient Airplane Transportation Easy To Pack

Product Description:

Aircraft boxes, so named because their unfolded shape resembles an aircraft, are suitable for some goods that need to be transported and are the preferred packaging for express packages. The zipper aircraft box can be torn and pulled. It can be packed in three seconds and unpacked in one second, which effectively improves user experience and packaging efficiency. It can be reused and recycled to be more environmentally friendly. The main materials are corrugated paper and kraft paper. This structure has strong compression resistance and can ensure the safety of your items during transportation. At present, this aircraft box mainly provides customized services to customize the color, thickness and size you need.

All in all, if you are looking for high quality aircraft boxes to meet your transportation needs, have a look at HuanQiu aircraft boxes. Trust HuanQiu brand to provide you with the best quality products on the market.
