Product Description

Customizable Size Logo And Fully Degradable Cellophane Glasin Paper Bags

Product Description:

Glasin paper is a smooth, glossy translucent paper that allows the product inside to show through, has a neutral pH and is acid-free, and is resistant to moisture, air and grease. And because Glasin paper is made from wood pulp, it is fully recyclable and biodegradable, making it a sustainable and environmentally friendly material of choice. From Grassing paper to Grassing paper bag, it is generally necessary to go through the process of slitting, printing, bag making, packaging and so on. HuanQiu Packaging can use a variety of slitting machines, accurately slitting Grassing paper bags to customize the size, and can use gravure printing and offset printing two ways to accurately reproduce customer design on Grassing paper, and has a patented design of efficient Grassing paper bag production machine, which ensures a continuous supply of high-quality Grassing paper bags.

FAQ

1. Are you a manufacturer?

Sure, we are a manufacturer of R & D, production and sales.

2. What is your MOQ?

Regarding the MOQ, our scope is very flexible, and we will recommend the appropriate ordering plan according to the different requirements of customers. Therefore, we will consult the order requirements in detail during the communication process to ensure that we can recommend the most suitable product customization plan to you.

3. How can I get a sample to check your quality?

After confirming the price, you can ask for samples to test our quality. If you only need a blank sample to confirm the quality and size of the bag, we will provide the sample free of charge, as long as you can afford the express shipping costs. If you need to print a sample, we will charge the corresponding printing fee, which is determined by the customization requirements.

4. How do I know if my order has been dispatched?

As soon as your order is dispatched from our Warehouse, you will be sent an email to confirm that it's on its way. After that we will inform you the tracking number for checking on the network. From there it should be delivered within the timescale you have requested.

If you have any questions or needs regarding our products, please feel free to contact us. We will do our best to provide you with the highest quality products and services.
