Multiple Color Thickening Can Be Customized Color Aircraft Box

Product Description:

The three-layer corrugated aircraft box is a premium choice in the packaging field.

Material, the use of high-quality three-layer corrugated structure, by the face paper, corrugated paper and inner paper composition, with good compression resistance and buffer performance, can effectively protect the box items from external impact. At the same time, the selection of environmentally friendly paper production, non-toxic and tasteless, in line with the concept of sustainable development. After rigorous quality testing, it is durable and can remain intact even in harsh transportation environments.

Its biggest highlight is the customizable size and box logo. It can accurately customize the box size according to the actual size of different items, avoid space waste, and improve the appearance and professionalism of the packaging. Box logo customization can be printed on the brand logo, product name, etc., to become a unique brand publicity tool, advanced printing technology to ensure that the logo is bright, clear and lasting, enhance brand awareness and product image.

Unique design, the aircraft box is beautiful and elegant, easy to fold and assemble, saving storage space, convenient transportation and storage. Easy to open top design, quick access without tools to avoid accidental injury. The edge seal design effectively prevents dust and moisture from entering. Widely used in e-commerce delivery, gift packaging and enterprise product transportation, to provide the perfect packaging solution for your items, enhance the brand image.

Lead Time

Quantity (pcs)	<500	>500
Lead Time (days)	15	To be negotiable

F&Q

1. What information is needed for a quotation?

To get a quote for our customizable airplane boxes, you need to provide:

(1) box type (2) size specifications (3) printing and logo design detail (4) material requirements
(5) quantity required (6) shipping address.

2. Are you a manufacturer?

Yes, we are a manufacturer specializing in customizable airplane boxes. We can customize boxes according to size, material, and printing as per your needs.

3. Can I get samples?

Sure. Contact us and tell us your desired sample style and requirements. We will offer samples and a reasonable quote based on your needs.

4. What is the average lead time?

The average lead time for our airplane boxes is approximately 15 days, but it may vary depending on the

complexity and quantity of your order.

5. What payment methods do you accept?

We accept bank transfers. A 30% deposit is required in advance, and the remaining balance must be paid before shipping.

6. How much are the shipping fees?

The shipping cost depends on the shipping method you choose. Express shipping is fast but expensive. Sea freight is a good option for large quantities. To get an exact freight quote, we need details such as quantity, weight, and shipping method. Please contact us for more information.
