## Product Description

### **Product Description:**

Our bags are designed to be fully customizable to meet your specific needs. You can choose the size, color, and design that best suits your requirements and brand. This makes our bags an excellent choice for businesses looking for a cost-effective way to promote their brand and increase their visibility.

Our express delivery bags are tear-resistant and durable, ensuring that your packages are protected during transit. The high-quality materials used in their construction make them capable of withstanding the rigors of shipping, ensuring that your products arrive at their destination in the same condition they were sent.

Our bags are also self-sealing, which means that you don't need to worry about any additional packaging. This makes our bags an excellent choice for those who need to send packages quickly and efficiently.

Our wholesale waterproof courier bags are an excellent investment for any business looking for a reliable and cost-effective way to ship their products. They are available in a range of sizes and colors, making them suitable for a wide range of products and needs.

Whether you are shipping clothes, electronics, or anything in between, our express delivery bags are the perfect choice. So why wait? Order your custom bags today and start shipping with confidence!

### **Customization:**

Our Express Delivery Bags are customizable to your specific needs. Made with high quality materials and available in a range of sizes, these courier shipping bags are perfect for your packaging needs.

These Printed Packaging Bags are produced in Guangdong, China and have a minimum order quantity that is negotiable. The price is also negotiable based on the quantity ordered.

Packaging details include packing by carton or customized box for the bubble mailer. The delivery time for these bags is approximately 15-20 days and payment terms are TT 30% initial deposit; 70% balance of payment before shipping. Our supply ability is 300000 pieces per day.

These durable bags have a thickness of 12 ~ 20 microns or can be customizable to your liking. They are perfect for express delivery, shoes & clothing, logistic transport, and packaging. Color is also customizable to fit your brand's needs.

### **Reasons for choosing us over other suppliers:**

1. Over 30 years of experience. We are the source supplier, possessing a comprehensive and mature production chain. There is no price disparity caused by middlemen, enabling you to obtain products of the same quality at the most favorable price.

2. Strong production and supply capabilities. The factory covers an area of 3,000 square meters. There are currently 8 production and printing equipment and more than 20 machine operators. Sufficient equipment and personnel can guarantee the daily operation of the production line.

3. Perfect after-sales service. During the production process until you receive the goods, if you have any other requirements or are not satisfied, you can consult our staff. We will do our utmost to provide you with a satisfactory answer and solution.

#### FAQ:

1. When can I get the price and how to get the full price?

If your information is enough, we will quote for you in 30mins-1 hour on working time, and will quote in 12 hours on off-work time. Full price base on bag type,size,material,thickness,printing colors,quantity. Welcome your inquiry.

2. Can you provide samples & what's sample delivery time?

Certainly, normally we will provide free samples and you just need to undertake the freight cost. For custom printing

sample, there will be sample fee needed. The sample produce will take about 5~12 days.

3. What is the lead time?

Around 12 to 18 days according to the order quantity and production details.

4. How to ship the commodities?

By sea or air as your requirement.

Ex-work or FOB, if you have own forwarder in China.

CFR or CIF, etc., if you need us to make shipment for you.

5. What information should I provide if I want to get an accurate quotation?

Size, material, printing details, finishing, processing, quantity, shipping destination etc.

You can also just tell us your requirement, we will recommend product to you.
