Product Description

Product Description:

Our Express Delivery Bags are available in a range of colors to suit your brand, making them the perfect choice for custom packaging bags. With their strong bearing capacity, these bags are ideal for industrial packaging bags, providing a reliable and efficient solution for all your shipping needs.

Our Express Delivery Bags are available in bundles of 100, making them a cost-effective choice for businesses of all sizes. Whether you're a small start-up or a large corporation, these bags are a great investment for your business.

One of the standout features of our Express Delivery Bags is their customizable printing options. With gravure printing and screen printing available, you can add your company logo, branding, and other design elements to create a unique and professional look for your delivery mail courier bags.

Our Express Delivery Bags also feature self-adhesive seals, ensuring that your products are secure during transit. This added security provides peace of mind for both you and your customers, knowing that your products are safe and protected.

So if you're looking for a reliable and cost-effective solution for your delivery needs, look no further than our Express Delivery Bags. With their tear-resistant material, customizable printing options, and self-adhesive seals, these bags are the perfect choice for businesses of all sizes.

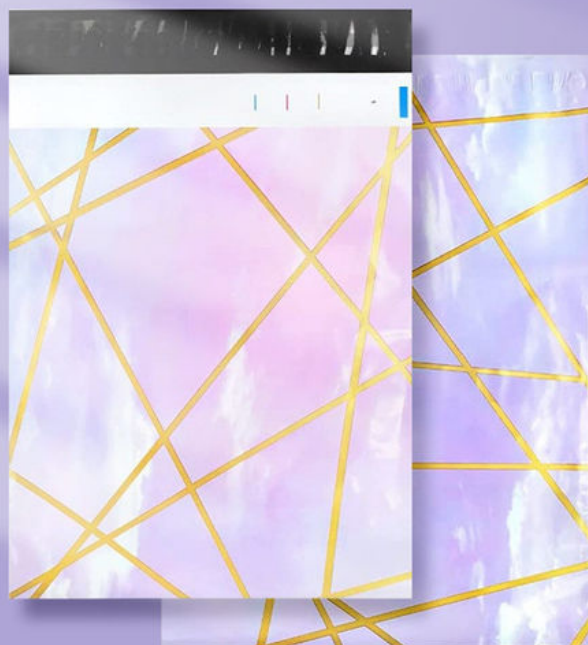

Applications:

The delivery mail courier bags are ideal for packaging shoes and clothing items. Their strong and sturdy material ensures that items are kept safe and secure during transportation. They can also be used for logistic transport, as they are designed to withstand harsh handling and long trips.

If you're looking for a lightweight and efficient way to package items, the HUAN QIU KDD-31 delivery mail courier bags are a great option. They are perfect for packaging a variety of items, including documents, books, and electronics. They come in a bundle of 100 and are available in plastic color plain bags or envelope bags.

Customized product process:

1. Pre-sales consultation: Please confirm the style, size, quantity, production process requirements and custom patterns of customized products to our sales staff, please call us, we will give you an accurate quote.
2. Layout design: After confirming the quotation, if you need typesetting, please provide the manuscript source file (PDF or AI format), we will contact the designer to arrange typesetting.
3. Check the design: After our designers design the manuscript according to your requirements, we will give you the manuscript for reference, if there is any need to improve, you can put forward your suggestions.
4. Confirmation of the final draft: After repeated communication and modification, the final draft is determined, and once it is determined, it cannot be changed.
5. Order making: After confirming the final draft, we will make it. If you need to confirm the product, we can provide photos or videos for reference and confirmation.
6. Delivery: After the order is completed, we will ship to you.

FAQ:

Q1:Can we get some samples? Free or any charges?

Yes, you can get free sample if we have in stock. If the sample needs to be customized, it should be paid for the sample.

Q2: How can we get a quote?

We will offer you the best quote after we get the product specifications such as material, size, shape, color, quantity, surface finishing, etc.

Q3: What shipping method can i choose? How about the shipping time?

For small order, by express like DHL,UPS,TNT FedEx etc, about 3-7days. For big order, by air about 7-12 days, by sea about 15-35 days.

Q4: How can you guarantee your quality?

Normally we will send you a sample to confirm everything first. We will make the big order exactly the same as you request.
