FAQ:

Q: Is it possible to provide free samples?

A: Free samples can be provided, but only for regular products, free samples are not available for customized products. Also free samples do not include shipping cost.

Q: Is it possible to provide more in-depth customization, such as different materials, or a new design?

A: Of course, we have a very complete team, including design and technology. Believe that we can meet your

requirements. Please consult our staff for details.

Q: Is it possible to visit the factory?

A: Of course, as long as you inform in advance, we can provide pick-up service from the airport to our company.

Q: Can you provide other services, such as shipping and customs clearance?

A: Yes, we have many years of experience in foreign trade, can handle various situations, and provide customers with better services. If additional services are required, please contact our staff.
