Product Description:

Our portable shopping bags are the ideal solution for all your packaging needs. Made of high-quality pe film, our bags are strong, durable, and have excellent load-bearing capacity, making them perfect for carrying all kinds of items. Another major advantage of our bags is that they are fully customizable. With options for different sizes and thicknesses, you can choose the perfect bag for your specific needs. Whether you're packing small boxes or large items, our bags can be tailored to your requirements.

We also offer custom printing services, enabling you to add your own unique logo to the bags. This not only makes your product easily recognizable but also helps to increase your brand visibility.

Our tote bags have a wide range of applications and are often used for packaging clothes, as well as shopping. Not only are they waterproof and reusable, but they also offer excellent functionality and convenience, making them the go-to choice for many customers.

Applications:

The HUAN QIU hand delivery bag is a versatile product that can be used in a variety of occasions and scenarios. Here are some examples:

Fruit Packaging Bags

The hand bag is perfect for packaging fruits and vegetables. Its waterproof and durable material makes it ideal for transporting produce without worrying about moisture or damage. The bag can be customized with gravure printing, offset printing, or screen printing, allowing you to add your brand logo or any other design you like.

Gift Packing Bags

The hand bag is an excellent choice for gift packing. Whether you want to pack a small or large gift, the bag is customizable to your preferred size and material. You can also add a personal touch by printing your desired graphics on the bag. The bag's durability is perfect for keeping the gift safe and secure during transport.

The hand delivery bag is manufactured in Guangdong, China, and has a negotiable minimum order quantity and price. The packaging details include packing by carton or customized box for the bubble mailer. The delivery time is 12-18 days, and payment terms are TT. The product has a supply ability of 300000 pieces per day.

Customized product process:

1. Pre-sales consultation: Please confirm the style, size, quantity, production process requirements and custom patterns

of customized products to our sales staff, please contact us, we will give you an accurate quote.

2. Layout design: After confirming the quotation, if you need typesetting, please provide the manuscript source file (PDF or AI format), we will contact the designer to arrange typesetting.

3. Check the design: After our designers design the manuscript according to your requirements, we will give you the manuscript for reference, if there is any need to improve, you can put forward your suggestions.

4. Confirmation of the final draft: After repeated communication and modification, the final draft is determined, and once it is determined, it cannot be changed.

5. Order making: After confirming the final draft, we will make it. If you need to confirm the product, we can provide photos or videos for reference and confirmation.

6. Delivery: After the order is completed, we will ship to you.

Packing:

The Hand Delivery Bags are carefully packaged in a sturdy cardboard box to prevent any damage during transportation. Each bag is individually wrapped in a plastic cover to ensure cleanliness and protection. The box is sealed with adhesive tape and labeled with the product name and quantity.
