Product Description:

Pink Paw Print Courier Bags are an essential choice for fall and winter. These bags are crafted by pressing three layers of co-extruded film together, with a thickness of 6 silk on one side and 12 silk on both sides. Possessing a certain degree of toughness and tolerance, they are strong and reliable, ensuring that your products reach their destinations in excellent condition. Our Pink Paw Print Courier Bags are suitable for packaging merchandise for businesses of all sizes. Offering customizable options, you can print your custom logo on our bags to ensure your brand is always prominently displayed. Enhance your shipping experience with our Pink Paw Print Express bags – the ultimate in safe and reliable transportation. Place your order now and be confident knowing that your products are in good hands. These high-quality Pink Paw Print Courier Bags are manufactured in a factory with a supply capacity of 150,000 per day. The minimum order quantity is negotiable according to your needs, and the price is also negotiable. Of course, these bags can be packaged according to your specific packaging requirements.

Q&A

Q1: Are you manufacturer & factory?

Absolutely! We are a direct manufacturing factory based in Jinhua City, China. We are dedicated to providing eco-friendly and innovative packaging solutions. Our factory is equipped with advanced production facilities and a team of experienced professionals who are committed to ensuring the highest quality products.

Q2: Do you accept customized size and printing?

Definitely! We welcome custom sizes and designs from our customers. Our team of experts will work closely with you to understand your specific requirements and offer professional advice to ensure that your packaging meets your expectations. Whether it's a unique size or a custom print design, we can make it happen.

Q3: How to do any inspection for product quality?

We take product quality very seriously. We have a strict-standard inspection process at every step of production. Our quality control team conducts thorough inspections to ensure that each product meets our high standards. Before shipping, we will send pictures and detailed reports to our customers so that they can see the quality of their products firsthand.

Q4: how to get the price?

Our pricing is based on several factors including the material used, size, thickness, design, packaging, and quantity. We will work with you to understand your specific needs and provide a customized quote that meets your budget. Our goal is to offer competitive prices without sacrificing quality.

Q5: What is your shipping way?

We offer a variety of shipping options based on your needs. Shipping times and costs may vary depending on the destination and shipping method chosen. By sea, shipping typically takes 15-35 days (although some areas may take longer). By air, shipping takes 10-15 days (with some areas taking longer). Express shipping is also available and takes 5-9 days (with some areas taking longer). We will work with you to determine the best shipping option for your order.
