Product Description:

Our poly bubble bags present an array of sizes to effortlessly accommodate a diverse spectrum of items. Boasting an extremely high resistance to tampering, they act as a reliable safeguard, ensuring that your items reach their destination in perfect condition. These remarkable bags are not only moisture-proof but also exhibit exceptional performance in protecting your items even in the harshest of humid environments. Ideal for shipping and packaging a wide range of items, including but not limited to electronics, cosmetics, and delicate handicrafts that demand extra care during transit. Offering two distinct printing options - digital printing and letterpress printing, you have the freedom to personalize these bags with your company logo or create unique designs that stand out. Our state-of-the-art plastic bag construction is engineered to shield your items from damage during handling and shipping. The bubble cushioning provides outstanding shock absorption, effectively preventing breakage. Meanwhile, the high-quality polyethylene material endows these bags with unrivaled durability and strength. In conclusion, our poly bubble bags are an unbeatable choice for those in search of a dependable and long-lasting shipping and packaging solution. Whether you're shipping high-tech gadgets, luxurious beauty products, or precious handicrafts, our bubble mailer bags will offer the ultimate protection you need to ensure a safe arrival at the destination.

Highlighted Features:

- Diverse Sizes: Accommodates a wide variety of items, from small electronics to large cosmetic sets.
- Tamper-Resistant: Ensures the security of your items during transit.
- Moisture-Proof: Protects against humidity for worry-free shipping.
- Custom Printing Options: Personalize with your logo or unique designs.
- Advanced Construction: Offers excellent shock absorption and durability.

Applications:

E-commerce Shipping: Whether you're shipping small accessories like earrings or larger items like home decor, these waterproof envelopes offer a safe and secure delivery option. The self-adhesive closure ensures items are protected during transit, and the tear-resistant material can handle the demands of shipping. **Office Mailings:** If you need to send confidential documents or other items by mail, these self-seal envelopes are an excellent choice. They come in custom sizes to meet your needs, and the bubble padding provides extra protection for delicate items. **Product Packaging:** If you're a producer or distributor, these bubble bags are a great option for packaging your products. The customizable size and color options allow you to create a distinctive look for your brand, and the heat transfer printing and offset printing options allow you to add your logo or other design elements. With a negotiable minimum order quantity and price, these Poly Bubble Bags are an affordable option for businesses of all sizes. The packaging details include packing in sturdy cartons, and the delivery time is 10-15 days. Payment terms are TT with a 20% initial deposit, and the remaining 80% balance due before shipping. With a supply ability of 90,000 pieces per day, you can be sure that your orders will be fulfilled quickly and efficiently.

Customized product process:

Pre-sales consultation: Confirm the style, size, quantity, production process requirements, and custom patterns of customized products with our customer service staff. Call us, and we will provide an accurate quote.

Layout design: After confirming the quotation, if typesetting is required, we will contact the designer for layout design after providing the source document.

Manuscript review: After our designers design the manuscript according to your requirements, we will provide it for your reference. If there is a need for improvement, you can 提出 your suggestions.

Confirmation of the final draft: After repeated communication and modification, the final draft is determined and cannot be changed once set.

Order production: After confirming the final draft, we will start production. If you need samples, we can provide them and send them to you when completed.

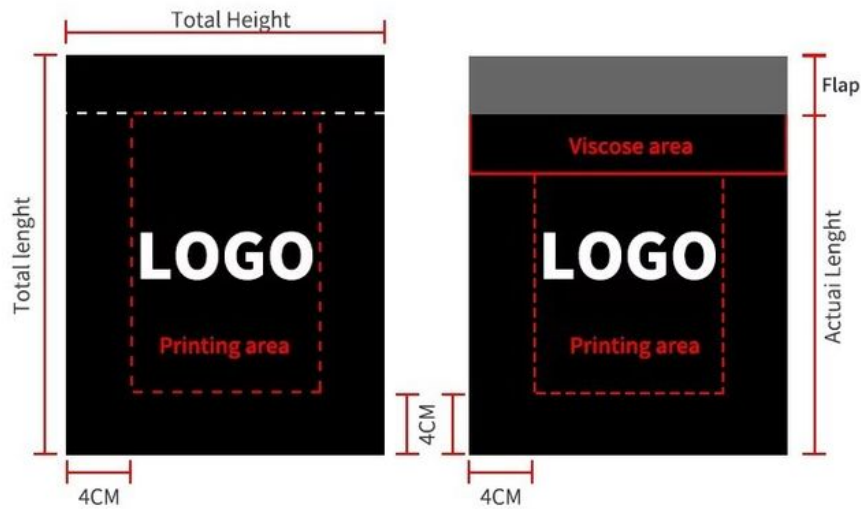

Delivery: After the order is completed, we will ship it to you.

PRODUCT QUALITY TEST

PRINTABLE AREA DESCRIPTION

Silk screen printing MOQ is 100

If you need to print the icon, the minimum order quantity is 100
In order to avoid the occurrence of defective products in the bag,
we must ensure that the logo is 4CM away from the boundary of the bag,
as explained in the picture :)

Full Printing (Printing Machine)

Full Printing(Printing machine) MOQ is 10000

We can do full printing.

Full printing needs to be done by machine.
So the cost is high. That's why we print logos by
screen printing if the quantity is less than 10000pcs.

The scope of application of the courier bag
