Product Description:

Customization is key when it comes to our Paper Bags. You can choose from a variety of sizes, colors, and printing options to create the perfect packaging for your brand. Whether you need a small bag for trinkets or a large bag for clothing items, we have you covered. With the ability to add your custom logo, these bags can help elevate your brand and create a memorable experience for your customers.

When it comes to eco-friendliness, our Paper Bags are top-notch. They are both recyclable and biodegradable, making them a sustainable choice for your packaging needs. By choosing these bags, you are not only reducing your environmental impact but also appealing to eco-conscious consumers who value sustainable practices.

Need a special treatment for your Paper Bags? No problem. Our bags can be treated to be food-grade, ensuring they are safe for packaging food items. Additionally, they can be made oil and moisture-proof, providing extra protection for items that are sensitive to these elements. This added feature ensures that your products remain in top condition during storage and transportation.

With large stock availability, you can easily order the quantity you need without worrying about long lead times or delays. Whether you need a small batch for a special event or a bulk order for your retail store, our Paper Bags are ready to meet your demands.

Support and Services:

Our Product Technical Support team for Paper Bags is dedicated to providing assistance with any inquiries related to the product's specifications, usage, and troubleshooting. Whether you have questions about the material of the paper bags, their dimensions, or any other technical aspect, our team is here to help.

In addition to technical support, we also offer a range of services to ensure that our Paper Bags meet your needs. These services may include customization options, bulk ordering capabilities, and delivery arrangements. Our goal is to provide a comprehensive support system to make your experience with our Paper Bags as seamless as possible.

Packing and Shipping:

Product Packaging:

Our paper bags are carefully packed, ranging from 250-1000 pieces per bag, and sealed firmly to prevent damage during transportation. Cartons are made of 5 layers of extra thick and hard cartons to ensure that the bags arrive in good condition.

Shipping:

We provide fast and reliable transportation services to ensure that your paper bags are delivered to you in a timely manner. Non-custom orders are usually processed and shipped within 1-2 business days. Shipping costs may vary depending on your location and the number of bags ordered.
